

Dear Neighbor

The attached RPO Hangtag application is the City's official form for applying for RPO Hangtags. There is NO other form for this process.

As the rules are written today, some residents will believe they do not qualify for RPO hangtags. We are a diverse community and the City recognizes these exceptions will come up. For example -

- Handicapped persons who do not drive but need a caretaker to visit
- Persons with suspended drivers licenses
- Persons who do not drive a car, do not have a license and do not have vehicle insurance

However, that does not mean you should not apply for hangtags that can be used by your friends and family. The City of Dallas is ready to help anyone with special issues or concerns that may impact their eligibility for RPO hangtags.

If you live on a street with RPO protection, but do not qualify to buy RPO hangtags as the form is presented, then please call the City's RPO coordinator to make a request for an exception or review of these issues.
